01 About me

As an architecture graduate, I am a creative and detail-oriented person with a strong interest in design and spatial planning. I am responsible, well-organized and committed to high-quality work. My experience in architectural studios has developed my skills in technical drawing, 3D modelling and architectural visualization. I am eager to develop my skills and gain further experience in architecture and design.

02 Experience

02/2025 – 07/2025
